

Donate Stock to The Salmonfly Project

Donations of appreciated securities can offer you tax benefits

When donating securities to The Salmonfly Project, a 501c(3) tax exempt organization, you will receive a charitable deduction for the full market value of the securities as of the date we receive your contribution and will incur no capital gains tax subject to IRS deductible limitations.

To make a securities donation electronically, please email Conservation@salmonflyproject.org for DTC instructions.

In order for us to properly acknowledge your gift and provide a receipt, please provide the following information to Jackson Birrell, our Executive Director, who can be reached at conservation@salmonflyproject.org or (413) 446-3669:

- The name of the donor and their email address
- The name and city of your brokerage firm;
- The stocks being transferred;
- The date of the transfer; and
- The name of the account representative or assistant and their phone number (in case there are any questions or issues with the transfer).
- Whether you would like this donation to be recognized publicly or anonymously?

The date of transfer is the date of your gift. The value of the gift is determined by multiplying the number of shares times the mean between the high and low as traded over-the-counter, (per IRS regulations).
